

School Information

Getting Started

Know what's happening in your child's school

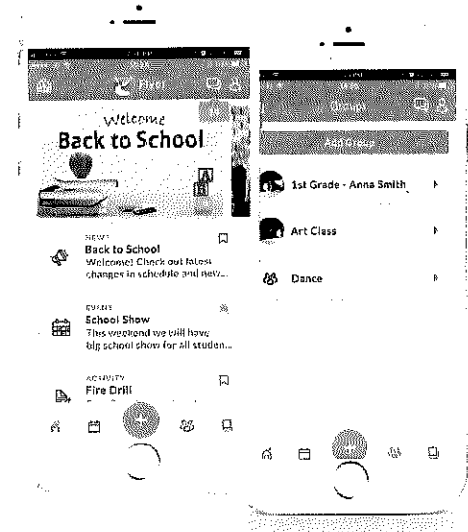

Send and receive messages, hear important announcements and share your voice with interactive forms.

Any device, any language

You can access calendars, signups, academic tools and social resources in your preferred language instantly.

Flyer Connect is Safe

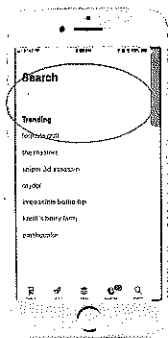

All of your child's information is kept safe on Flyer Connect. Only your child's teachers, and you as their parents can see their information.

1

Download the app

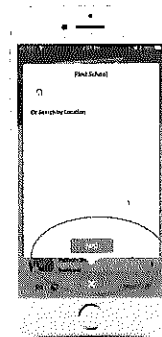

Go to the App Store on your smartphone. Type in the words "Flyer School" in the search bar. Download the app and accept push notifications.

2

Add your school

Open the app, set your language and tap the "+" (plus button) to search for your child's school then press "ADD".

3

You're connected

Click on your school to open your school's page. View messages, calendars, forms, groups and resources. **Tap profile to register for personal information.**
